

01 - The Amityville Horror (1979)

author:

2026-07

Synopsis

<p>The first stop on our repeated trip to 112 Ocean Avenue is the original movie that sort of interpreted a book loosely based on some conflicting accounts and launched a legendarily long film franchise! Pat and Tom will be be watching the entire 30+ (and counting) film franchise, because someone has to.</p>
