Synopsis

Making the Leap to Full-Time Blogging <p>Another week, another episode! We hope you've been enjoying the FBP podcast so far. We've sure had fun making it! Today's episode features Beth Moncel from the awesome food blog Budget Bytes.</p> <p>So many of us hope and dream that one day we could make blogging our full-time job. Well, Beth was once one of us, but now she's actually living the dream! However, this didn't just magically happen. Instead, Beth did a slow transition from corporate to self-employed, and it made the switch a little less stressful.</p> In this inspiring episode, Beth reveals: What it was like transitioning from her day job to working for herselfHow she got started on her blogWhy she switched from Blogger to Wordpress and how it affected her blogHow she managed her time while working full time and running her blog simultaneouslyHow social media has contributed to her successHer top 5 tools she couldn't live withoutThe one thing she wishes she did soonerHow she is planning on getting into video <p>Resources:</p> Budget BytesBlogger platformWordpress.orgYoast SEO pluginAdobe Creative CloudGoogle AnalyticsPicMonkeyBudget Bytes TwitterBudget Bytes PinterestBudget Bytes FacebookBudget Bytes Instagramfoodbloggerpro.com/beth
