## Synopsis

---

Carol demanded to see what Doug had been doing with his other women. Recently their relationship had changed - all Doug cared about was cheating with other women and threesomes.

He warned her. This would scare her away. She couldn't handle the truth. Doug was smug. He walked over and he plopped down into the sink!

A severed head.

Carol didn't scream, she didn't run, instead, she sat down and started applying makeup on the severed head. Doug was her man and she would stick by him.
