In the mid-1980s the Snow White Killer terrorized the streets of Nashville, Tennessee. Then suddenly the murders stopped. A letter from the killer to the police stated that his work was done. Now four more bodies are found, marked with his fatal signature. The residents of Nashville fear a madman has returned, decades later, to finish his sick fairy tale. Homicide Lieutenant Taylor Jackson believes the killings are the work of a copycat killer who's even more terrifying. For this monster is meticulously honing his craft as he mimics famous serial murders - proving that the past is not to be forgotten.
