Originally, I was going to delete all the separate stories that were taken to make up this book. However, I figured there might be a few people who would prefer individual tales as opposed to a bundle so I've decided to leave them alone. The Tales are as follows, in order: "The History Teacher", "Do you Trust me", "Oral Fixation", "Orgasmic Car Ride", "The Sweetest Lesbian", "Beautiful Surprise", "The Mailman's Tale", "The Elevator", "The Erotic Writer", "The Window Cleaner", "The Little Tease", "The Crush", "The Neighbors", "My Stepmother's Affliction", "Mature Women", "Threesome", "Exhibitionism", and "Thai Beauties". Enjoy.
