Synopsis

Today we are revisiting the case of Dennis and Cynthia Perkins. Dennis Perkins and his then-wife, a former Livingston Parish schoolteacher, had faced a total of 150 felony charges after their arrests in 2019. Cynthia Perkins pleaded guilty last year to reduced charges and was sentenced to 41 years in prison in a deal contingent upon her testifying against her ex-husband, had he gone to trial. He plead guilty in Jan 2023.

 Another woman, Melanie Curtin, received a life sentence last year after a jury found her guilty of helping the ex-deputy rape and film an unconscious woman in 2014. Dennis Perkins was the final defendant to have his case resolved in the sex crimes probe.
