

#355 - Prove Yourself With Blood - Fletcher, Vermont

author:

2026-07

Synopsis

This week, in Fletcher, Vermont, a very manipulative man, likened to Charles Manson, and Hitler by a psychiatrist, seems to be able to get anyone to do anything he wants. That includes a young lady, who he manipulates into killing a man that she used to see, out of pure jealousy. This fits right into his character, as he also lured someone into cold blooded murder at his own hands. He even seems to be able to manipulate the legal system, for the most part, but will he finally get what's coming to him??

Along the way, we find out that syrup needs ambassadors, that some people just know how to talk to people, and that if you're going to have your girlfriend kill someone, don't then have sex with her, while a house full of cops listen in, trying to get evidence on you!!
