

# 87 - Frozen Toes & Industrial Hose - Luther Wrig

*author:*

2026-06

## Synopsis

---

<p>This week, we talk about a gentle giant, with a real liking of crack, and living in the streets. A first round NBA draft pick, who was in the streets, less than 10 years later. He went from a promising prospect, to screaming, bare chested during Utah winter, bashing in car windows, and swinging a prosthetic leg over his head. It only gets worse from there!</p> <p><br></p> <p>Be so large that you don't have work very hard to do well at basketball, have a very public meltdown, and lose your toes, because you care more about crack, than your own health with Luther Wright!!</p> <p><br></p> <p>Check us out, every Tuesday!</p> <p><br></p> <p>We will continue to bring you the biggest idiots in sports history!! </p> <p><br></p> <p>Hosted by James Pietragallo & Jimmie Whisman </p> <p><br></p> <p>Donate at... patreon.com/crimeinsports or with paypal.com using our email: crimeinsports@gmail.com </p> <p><br></p> <p>Get all the CIS & STM merch at crimeinsports.threadless.com </p> <p><br></p> <p>Go to shutupandgivememurder.com for all things CIS & STM!! </p> <p><br></p> <p> Contact us on... twitter.com/crimeinsports </p> <p>crimeinsports@gmail.com </p> <p>facebook.com/Crimeinsports </p> <p>instagram.com/smalltownmurder</p>
