

Fat Sam & Crazy Crystal - Lawrenceburg, Tenn

author:

2026-07

Synopsis

This week, in Lawrenceburg, Tennessee, an unlikely, but deadly situation unfolds, after an absolute bloodbath is discovered. There are many suspects, including a slew of local dirtbags, drug dealers, and even the mafia. But some dark secrets are discovered in a trailer's backyard that lead everything toward one troubled person, who happens to be the least likely suspect of all!

Along the way, we find out that adults don't enter pageants around here, that just because you did 30 years in prison for a terrible crime, it doesn't automatically make you bloodthirsty, and that once you admit to putting a knife in a dead person's hand, and hiding the evidence, you don't have much of a chance in court!

Hosted by James Pietragallo and Jimmie Whisman
