Synopsis

You can spend your life going to church but be ignorant of spiritual things. In this sermon, Pastor Allen Jackson helps us recognize the spiritual forces that shape our lives every day. As Christ-followers, we have an adversary who wants to lead us away from God and ultimately destroy us. We see evidence of this throughout the Bible—Satan even tried to tempt Jesus! We've been deployed in a spiritual battle on behalf of the Kingdom of God, and we need to develop an action plan that will help us recognize the enemy and stand in the authority we've been given in Christ.
