

nce Trump Told America to Drink Bleach + A Conver

author:

2026-08

Synopsis

One year ago Donald Trump stood before the American people and suggested drinking bleach and injecting disinfectant to cure the Covid 19 virus. In a presidency marked by insanity. This one presser might have been the most insane one of all. It also revealed for those who didn't already know, that the man in charge of our recovery and our lives, was bat shit insane crazy. But now, one year later, what's even more insane, is that there are people who still want more of this guy. This after all the poison he injected into our system. Michael discusses how the GOP has all but abandoned its moral duty to promote Trumpism above all else. He may have lost the battle for the presidency but in state houses and local politics, Trumpism is winning the war. Finally, Michael speaks with former Bush White House ethics czar Richard Painter on how we recover from the age of Trump, <p> </p> <p> </p> <p>To learn more about listener data and our privacy practices visit: <https://www.audacyinc.com/privacy-policy></p> <p> </p> <p>Learn more about your ad choices.
