In today's complex world, parenting is a tough job. Beyond the difficulties of the changing world we live in, there are also the daily frictions of imperfect people sharing a home together. However, Daniel P. Huerta, Focus on the Family's vice president of parenting, offers hope and help for you to become an effective parent.

Based on exhaustive research, Huerta presents a collection of seven powerful character traits designed to help parents grow and thrive as they take on the task of raising children. Parents will be encouraged to navigate family life with grace and love so their children ultimately see God's transformative power, love, and influence.
