[Contains explicit content] Susie wonders why it took so long for PrEP and PEP pills to be made available over the counter in California - and what's taking the rest of the country so long to follow. Next, social media bans are erasing the online presence of sex workers, activists, and maybe Donald Jr. Then, new on Audible, Marc Huestis' *Impresario of Castro Street: An Intimate Showbiz Memoir* is gossipy and glamorous and will kick you in the guts.
