When the world's biggest and most moving events took place - World War II, the Moon landing, the death of Princess Diana, and many more - *Time* magazine was there to tell the story with passion and clarity. This book features pieces by Barbara Ehrenreich, Henry Anatole Grunwald, Maureen Dowd, Walter Isaacson, Bono and many other famous writers, and will provide listeners with a uniquely entertaining view of 85 years of *Time's* history.
