Busy? Yes. Fruitful? No. Many of us lead frenzied lives—but feel we are going nowhere. Every day you may be asking yourself, “How can I become a voice of hope when the problems are so great? How can I envision my circumstances through God’s eyes and respond to others with the passions of his heart when the dry details of the day take over? How do I begin to live a deeper, richer faith that unleashes God’s transforming work in and through me?”

Paul Richardson draws on stories from his life as a change specialist in the world’s largest Muslim country to explore what causes us to be deactivated—pinned down under life’s fluctuating circumstances, personal apathy, and disappointment. Richardson reminds us that the Creator designed each one of us to engage the complexities of our world with creative solutions. Rather than offering a series of how-to steps, Richardson offers you a refreshing vision of what a Spirit-fueled life looks like—a vision that sees Christianity as a fluid, innovative call to love. You will come away with a deeper awareness of your dreams, a renewed passion for faith in action, and a richer understanding of how God created you to live.
