Lauren's job as a cold case homicide detective is her life. And life just got complicated.

Lauren Riley is an accomplished detective who has always been on the opposite side of the courtroom from slick defense attorney Frank Violanti. But now he's begging to hire her as a private investigator to help clear his client of murder. At first Lauren refuses, wanting nothing to do with the media circus surrounding the case - until she meets the 18-year-old suspect.

To keep an innocent teen from life in prison, Lauren must unravel the conflicting evidence and changing stories to get at the buried facts. But the more she digs, the more she discovers that nothing is what it first appears to be. As Lauren puts her career and life in danger, doubt lurks on every corner...and so does her stalker.
