**In this sexy and scandalous historical romance from the *New York Times* bestselling author of *This Man*, a successful businessman is seduced by an entrancing woman.**  
Frank Melrose is on the cusp of taking his father's printing business globalâ€”the last thing he needs is the distraction of *any* woman, let alone the dazzling Taya Winters.  
He's under pressure from the newspaper to unmask the mysterious highwayman causing havoc in Belmore Square, but his infuriating clashes with Taya keep slowing him down.  
What's more, he's sure that the highwayman is right under their nosesâ€”and that exposing their identity will end not only his story, but ruin his family, too...
