Synopsis

author	Queen Jefe'
readBy	D. Lewis
inLanguage	english

Betrayal, Sex, Drugs, Money and Murder! Extraordinarily beautiful, fearless but notorious criminal enchantress Legacy Green finds herself heavily woven and intertwined in a gangster like lifestyle. Is Legacy reformed? After being released from S.C. State Penn, Legacy hits her city streets of Charleston, S.C. with a sick vengeance that causes mayhem. Blinded by her ambitions of a hustler, she finds herself in a whirlwind of escapades that test how much she truly values her freedom. Ignoring all the pre warnings of cautions, Legacy discovers that the world has transformed against her favor. Legacy takes pride in her family being heavily rooted in the Geechie land, also known as the Holy City. Unfortunately, she discovers that Charleston is not so holy after all. One act of treason from her enemy threatens the safety and security of her loved ones. Tragic circumstances arise that force Legacy's hand to take drastic measures. Will she fall victim to the evil devices that jealousy, betrayal, money and power bring? Or will she prevail?

Loving her family with underlying loyalty is the far-flung force that drives her. How far, when pushed to her breaking point, will Legacy go to protect them, especially when all their backs are against the wall? Legacy is a natural heartbreaker. Her unorthodox ways of dealing with the opposite sex brings conflict to her love life. Imploring her alluring and mystical abilities to control the hearts and minds of others through her endless ability to love unconditionally causes her strife on a higher level. Does Legacy's love for the almighty dollar override her heart? How will she face the burdening consequences of her freedom?
