A Little Child Shall Lead Her is about a widower who was left with a traumatized daughter who cannot see, hear, or speak. After watching her mother die from a random gunshot wound, the little girl withdrew into a world of her own, leaving her father unable to cope or understand how he can save her. He decides to advertise for a mail order bride - not one to marry but a teacher to help his daughter get better. A life-changing and emotional event concludes the story.
