readBy	Anne Cater
inLanguage	english

Sister Maggy MacFergus was tall and she discovered most men found this offputting. When Dr Paul Doelsma offered Maggy a nursing job in Holland, she took it. There was something special about Dr Doelsma and it wasn't just that he was taller than her. She was sensible enough to realise that he would never love her back, after all, Paul said he had already chosen himself a wonderful wife. But who was the lucky girl?
