Looking for a strong woman to take on the Apocalypse?   
They survived the solar flare. They survived without power. They survived bandits. But can they survive a dictator who is determined to become the king of their state?   
Allison and her community have worked together to build a life after the flare. Can a ruthless man and the inmates he freed from the local prison take away everything they worked for?   
*A New Dawn* is Book 3 in the Allison Series.
