inLanguagei¼š	english

From the acclaimed author of *Astrid & Veronika*, a lyrical novel of two sisters bound together by a tragic moment from their past.

Maria and Emma have not seen each other since their motherâ€™s funeral two years ago. But now, Emma has come to visit Maria at her house in Spain, an unsettling intrusion on Mariaâ€™s quiet and solitary life. Over six days in the seaside town, the sisters cautiously recount the years of their separate adult lives. Their walks through the quiet town and evening talks on the terrace reveal almost more than Maria can deal with, until finally, the sisters confront their unspeakable family history.

***A Sister in My House* is a compelling drama of grief and betrayal, but ultimately it is a story of hope and forgiveness.**
