

A Viking for the Viscountess

author: Michelle Willingham

2026-07

Synopsis

author	Michelle Willingham
readBy	Brad Wills
inLanguage	english

Juliana Arthur, the Viscountess Hawthorne, has been thrown out of her husband's estate and her marriage declared invalid. With a small son to care for, she desperately needs a strong hero to rescue them from poverty and suffering.

A Viking wasn't quite what she had in mind.

Arik Thorgrim is caught between worlds. After dying from a battle wound, he expects to find the glory of Valhalla, where he can dwell among the gods. Instead he's brought forward 1,000 years in time, to a beautiful woman who tempts him beyond reason. Juliana doesn't know what to do with this sinfully handsome Viking warrior who brings weapons into a ballroom and refuses to be tamed. Yet beneath his barbaric ways is a man of honor, a man who vows to face down her enemies and fight for her son's future.

But as Arik wages a battle against her heart, Juliana is afraid of loving a man whose time has already run out.

Michelle Willingham's 'A Viking for the Viscountess' is an enthralling journey into a world where time and love intertwine seamlessly. The novel brilliantly combines the allure of historical romance with the thrill of a time-slip narrative. The protagonist, a modern-day Viscountess who finds herself inexplicably transported to a Viking era, is crafted with depth and authenticity. Her struggle to adapt to the new, rugged world while holding onto her 19th-century sensibilities is both entertaining and emotionally engaging.

Willingham's meticulous attention to historical detail shines through, providing a vivid backdrop against which the story unfolds. The Viking hero is portrayed with a perfect balance of strength and vulnerability, making the romantic tension between the characters palpable and compelling. Their evolving relationship is handled with nuance and sensitivity, drawing the reader into a tale that is as heartwarming as it is adventurous.

The narrative is pacey, with just the right mix of action, romance, and drama. It's a delightful read for anyone who enjoys a blend of history, romance, and a touch of fantasy. Overall, 'A Viking for the Viscountess' is a testament to Michelle Willingham's skill as a storyteller and her ability to transport readers to another time and place.
