Here are the moments that our fairy tales forgot or deliberately concealed, reimagined by one of the most gifted storytellers of his generation, the Pulitzer Prize winning author of *The Hours*. Rarely have our bedtime stories been this dark, this perverse, or this true.

The Beast stands ahead of you in line at the convenience store, buying smokes and a Slim Jim, his devouring smile aimed at the cashier. A malformed little man with a knack for minor acts of wizardry goes to disastrous lengths to procure a child. A loutish and lazy Jack prefers living in his mother's basement to getting a job, until the day he trades a cow for a handful of magic beans.

In *A Wild Swan and Other Tales*, the people and the talismans of lands far, far away – the mythic figures of our childhoods and the source of so much of our wonder – are transformed by Michael Cunningham into stories of sublime revelation.
