

A Year in the Province

author: Christopher Marsh

2026-07

Synopsis

author	Christopher Marsh
readBy	Robert Duncan
inLanguage	english

Well the title looks familiar...and Peter Mayle's *A Year in Provence* may have been the trigger for Christopher Marsh's brilliant debut novel - but there the similarities end.

Rather than a middle class Brit travelling all the way to the South of France to patronize the locals, Southern Europe gets its own back courtesy of Jesus Sanchez Ventura - the funniest fictional creation in many a year.
