He's destined for the White House and engaged to be married next month.

Except he just married me instead. While drunk in Vegas.

Bradford Black. He's powerful. Rich as sin. And he's now my husband.

His fiancée hates me. His political advisors want me gone. The world can't get enough of me and the scandal we've caused.

I want to run. I want to hide. I want to pretend none of this is happening.

But, oh God. My husband doesn't care about the scandal because all he cares about is me. He's possessive, grumpy, and determined for us to stay married.

I'm everything he's ever wanted. And he's not letting me go.

What happens in Vegas doesn't stay in Vegas.
