Addictive Collision tells the story of 25-year-old Morgan Tyler, who works as a receptionist at Belmont University and also takes classes on the side. She journeys through the pain of being trapped in a sexless marriage. Tired of having a roommate for a husband, she explores her options. Should she stay in the confines of her unhappy marriage, or make the painful decision to leave? As she debates what direction her life should take, sparks begin to fly with a hot, hunky mailman named Foster. Is it time to move on with her life, or should Morgan fight for the man who is ignoring her? *Addictive Collision* is a novella. This is part one and all your questions won't be answered without listening to part two, as part one ends in a cliffhanger. *Warning: adult language.*
