

After the Pandemic

author: Roger Ravencraft

2026-07

Synopsis

author	Roger Ravencraft
readBy	Jeremy Hurst
inLanguage	english

The world as we know it is changing, again.

Pandemics are an inescapable reality. The interconnectedness of the world means that a new virus today can become a global outbreak tomorrow. It's happened before, and it will happen again. And when it does, life as we know it alters considerably.

Social distancing is here to stay; it will upend our way of life, in some ways forever.

Are you prepared to make difficult decisions for the good of your family and your safety? Are you ready for the new normal?

Pandemics come with new ideas to understand, new terms to learn and new situations to adapt to. If we're going to survive, we need to know what to expect. That's where *After The Pandemic* comes in. Whether you're a stay-at-home mom or a bachelor, CEO, or intern, this book will be invaluable as you struggle to navigate a world facing a pandemic.

If you want to be ready for the new world, click "buy now".
