

Algernon

author: Patricia Moran

2026-08

Synopsis

author	Patricia Moran
readBy	Joy Culpepper
inLanguage	english

Algernon is an anteater, but he is a very ingenious one.... He not only loves ants but especially chocolate covered ones. So, to find a supply of his new favorite food, he learns to read, to stand up tall, and to consequently join the circus! </p> <p>This children's book is delightful, with a refreshing commentary describing Algernon's thoughts and his precocious stream-of-consciousness asides....</p> <p>Meet Algernon the Anteater...you'll love him!</p>
