Elizabeth Bennet can't imagine anything worse than being stranded by a blizzard in a tiny cottage with proud and unpleasant Mr. Darcy. But being trapped there for days - and nights - with an injured and confused Mr. Darcy who keeps saying the oddest things about her is even worse. At least he possesses the useful ability of lighting a fire to keep them from freezing to death. But when he puts his arms around her, she discovers the hearth isn't the only place he knows how to build a fire. And the little half-frozen kitten he finds in a woodpile isn't proving to be much of a chaperone.

She doesn't really believe his promises to marry her if anyone finds out they spent two nights alone together, especially after learning he was betrayed by another woman in the past. When her worst fears are realized and her reputation is in tatters, she isn't surprised to discover Mr. Darcy has vanished into thin air, leaving her no choice but to find a husband as soon as possible before her whole family is ruined. Any husband will have to do, no matter how much she dislikes him. Even if she can't stop thinking of Mr. Darcy....
