Orson Antonov has everything: billions of dollars, stunning good looks, and the respect of his bear shifter clan. The only thing he can't have is his freedom. Forced to marry a woman he doesn't love to unite the clans, can Orson find the strength to break free? </p> <p>When he meets Casey, the beautiful, full-figured woman of his dreams, he invites her to his luxurious mansion in the woods. He hopes he has finally found the inspiration to fight for freedom...and for love. </p> <p>Casey dreams of launching her part-time catering jobs into a large-scale business. She loves to feed people almost as much as she hates crappy dates and being told she is not good enough because of her size. </p> <p>When the mysterious and unbearably sexy Orson comes into her life, everything changes. Swept into a world of stunning luxury and warring bears, can Casey survive the exciting and terrifying world of her new mate? </p> <p>This book includes sassy curvy women, drool-worthy cooking, exciting bear attacks, and a love so hot it sizzles. </p>
