**THE MONSTER WANTS HER. HE WON'T BE DENIED.**

I've become a monster. I hear blood moving in people's veins. I want to feed. To hunt. To mate....

I'm no longer a human - my life is over. I've left everyone I love. I've gone rogue from the CIA. My only hope is my handler.

Annabel Gray is tough enough to face my monster. If I lose control, she won't hesitate to take me out. But I'm not the only predator out there. Someone's hunting Annabel.

She needs my protection. But if I don't get my animal under control, I may be her biggest threat yet.
