

American Ground

author: William Langewiesche

2026-08

Synopsis

author	William Langewiesche
readBy	Richard Davidson
inLanguage	english

Noted author, war correspondent, and award-winning writer for the *Atlantic Monthly*, William Langewiesche furnishes a riveting firsthand account of the excavation of the World Trade Center ruins following its destruction on September 11, 2001. *American Ground* is an inspiring look at the often contentious mixture of personalities, politics, and emotions that fueled this massive effort. It is also a testament to American ingenuity in the aftermath of a great tragedy.
