Synopsis

author	Henry James
readBy	Donna Barkman
inLanguage	english

Many critics consider this the best Henry James novelette, surpassing even *The Turn of the Screw*. Like that story, it has an ending that you will remember for a long time. The story concerns two young men visting the United States from London. They meet a pair of charming women who return the visit the following year in London. Romantic intrigues, miscommunication and cultural gaffs are plentiful in this short but delightful novel.
