"**A must read for those men who want to be great lovers right from the source of a guy who lived it**" - Paul H. "**Finally, a legit guide minus fluff and BS we find in some women's magazine. The story is funny and cool, the advice very useful, the lessons learned by the author of value to any man who cares about a woman's pleasure. Highly recommend.**" - Robert in FL "**Not cheesy or soft porn, but information men can put to use on many levels in their love of women. My wife read it too, and said it was spot on. Really wished I'd read this or something like it when I was a younger man who thought he knew what women wanted, but in hindsight realize I did not. Good old male ego strikes again!**" - Rich in NYC. What can men do to be one of those few guys women will talk about as the best sex they ever had? What truly separates those few guys labeled as "great lovers" from the rest and why? Ask a professional... What do women want vs. what many men think they want? What do women really want from a lover? I spent several years as a paid male escort to a wide variety of women and learned what men think women want and what they really want, are often two very different things! This is a true story of my adventures as a male escort with real world advice on how men can learn to be labeled a "great lover" by women. Knowledge is power, and my experiences - combined with my scientific/medical background - gave me a unique perspective which I share with the reader. From newbie to experienced lover, this guide will help you take your game to the next level. This guide contains real world no BS instruction on what women look for in men, how you can use those tips to greatly improve your chances for getting laid regularly, and being known as a great lover once you do! What can you do in every day life to attract more women? What self-defeating excuses do men use that prevents them from having more sex and female companionship? What personality traits do women really care about? Does size really matter? What's different about what women want in bed compared to men and

how do you use that knowledge to become a great lover? Most men simply don't have the answers to those and other questions. An Unlikely Gigolo covers in a concise easy to read format that's short on fluff and full of useful advice for men. This is not fictional soft porn for men, or some kind of 50 Shades Of Grey knock off for dudes, but a How 2 Guide on what men can do to be labeled "the best sex I ever had" by the women they're with; from a guy who was paid to deliver great sex on demand. What I learned during my experiences as an escort, or gigolo, or sex worker to call it by it's various terms, will help any man improve his game in bed, and increase his chances for having more sex. My adventures, and the straight forward advice found in this guide, will give you the edge you need to take your skills in bed to a new level, and increase your chances for improved sexual experiences with women.
