The Myrrosil Chronicles continue as Cyrus is drawn deeper into the entanglement that is his destiny on this wild new world! Chaos abounds as his new-found enemies spread across the countryside like wildfire. With only a handful of allies and even fewer friends, his struggle remains ever-present, that distant hope of "home" taunting him daily. The whirlpool of fate continues to drag him in as civilization around him crumbles. </p> <p>Will he embrace that which the fabled Dawn's Touch has led him to, or will he continue searching out his own desires? Who is the man behind the Veil, pulling the puppeteer's strings? Above it all, how did Cyrus come out of the last battle alive in the reaches of Tantasphere? </p> <p>Find out all this and more in the second volume: *Anima's Grip*! The journey has only begun....</p>
