Synopsis

author	Penelope Joy
readBy	Micah Maxwell
inLanguage	english

Jane is a perpetually single computer programmer who has fallen in love with the equally nerdy Matt, her office colleague. She wants to settle down with him until she finds him at a bachelorette party...moonlighting as a stripper. Hurt, she retreats into a shell, as she doesn't know who the "real" Matt is. He tries to get back in her good graces but she resists. Can she accept his double life?
