A stately home in the English countryside seems the ideal place for a bad boy billionaire and his bride to tie the knot. Until the internet fails. And the oven breaks. And paparazzi invade. And police crash the bachelorette party. And four unlikely couples discover that passion never waits for perfection.

"The Best Laid Planner" by Miranda Neville: For Arwen Kilpatrick putting on the wedding of the year means dealing with one surprise after another, including the discovery that Harry Compton is so much more than he seems.

"Will You Be My Wi-Fi?" by Caroline Linden: Archer Quinn is swamped with work and will do anything to convince Natalie Corcoran to take a chance on him...first with her wi-fi, then with her friendship, and then with more.

"The Day It Rained Books" by Katharine Ashe: Piers Prescott is determined to conquer Cali Blake's resistance to him, and he'll stop at nothing to have her.

"That Moment When You Fall In Love" by Maya Rodale: Damien Knightly is definitely falling for Roxanna Lane, but thanks to an impulsive wager he must choose between losing the crown jewel of his media empire...or the woman he loves.
