**LONDON IS DEAD!**

Two months ago, billions of people were killed by a deadly germ. Days later, they rose up again in massive numbers. Since then, cities worldwide have become rat-infested, germ-filled hellholes, ruled by the living dead.

There are three hundred survivors grouped together in the shadows of the Tower of London. On one side, the river Thames. In all other directions, nothing but the undead.

With so many mouths to feed, food is at a premium. But if they can make it through winter, they'll have a shot at long-term survival. They have no choice but to scavenge the ruins of apocalyptic London to survive, but with every building they strip, every street they clear, they risk enraging the vast hordes of the undead that have them surrounded.

It's a delicate balancing act - fight to survive but avoid an unwinnable, all-out war.

And yet, there may be another option...

**AUTUMN: INFERNO** is the second book in a standalone trilogy set in the nightmare world of David Moody's international best-selling **AUTUMN** novels - the original epic British zombie saga.
