## Synopsis

---

author	Lawrence G. McMillan
readBy	Ed Downs
inLanguage	english

Renowned author, Larry McMillan, shows you how to avoid the 5 most common - and costly - mistakes option traders make. Master his methods for using put-call ratios, picking the right option, and deciding how much to risk and so much more. McMillan shows you what to do in typical tough spots - and how to avoid them in the future. This audio is a "must-listen" for any investor looking to move beyond the realm of options theory - into the world of option profits.
