Camdyn MacKenzie's lips are like every wicked sin I've ever craved but denied myself.

For my sanity, our first kiss should've been our last - dark, depraved, and addictive.

Since my mom's tragic accident, I'm in self-destructive mode. Camdyn's a sadistic, crazy distraction, but he's wickedly bad for me.

The second I tasted Willow Greene's mouth, every bad bone in me screamed for more.

She's the most tempting girl at DuPont Academy - innocent, sweet, and corruptible.

Since I was a kid, I've twisted beautiful, broken things and shattered them beyond repair, and Willow will be no exception.
