BEAT is an unfiltered chronicle of the wild escapades of those who made the living poetry that expressed the atomic age and beyond. Here is Ginsberg, Corso, Burroughs, Cassady, di Prima, Waldman, Micheline, Kesey, Bukowski, Kaufman, Vega, Bremser, and many others. Firsthand accounts from East Coast to West Coast, Prague to Kathmandu, Andy Clausen was there. Clausen's eyewitness memoir is filled with stories, anecdotes, and revelations of the generation that changed poetry, music, literature, and ushered in the psychedelic era, and is infused with the underlying premise that *Beat is alive*.
