

Bedroom Games

author: Charity Parkerson, Regina Puckett

2026-07

Synopsis

author	Charity Parkerson, Regina Puckett
readBy	Hollie Jackson
inLanguage	english

Pamela loves playing games, as do both her partners, just not together. There's nothing like an exhilarating night of hide-and-seek or catch-me-if-you-can before a long evening of sex with one or the other. The problem? There's a demon-possessed serial killer on the loose who loves playing sex games as much as Pamela does.
