readBy	William Cooper
inLanguage	english

In *Behold a Pale Horse*, William Cooper reveals classified information kept in secret government files since the 1940s. In this eye-opening work — read by the author — Cooper explores the assassination of John F. Kennedy, the war on drugs, the Secret Government, and UFOs. His lucid presentation of information transcends partisan affiliations as he addresses issues in a way that has a striking impact on listeners of all backgrounds and interests.

According to Cooper, *"Everything is changing and the end result will be the most wonderful experience in the history of man or the most horrible enslavement that you can imagine."*
