Youâ€™ve tidied your home, and all this decluttering resulted in a big pile of stuff! Now what? Itâ€™s payday if you use the power of online yard sales. Filled with stories of selling triumphs (and a few duds), the real-life examples in *Best Offer, Best Life!* will help motivate you to sell your own household excess through social media and free apps. Expert seller Deb Colameta shares her best tips for navigating the world of online yard sales, which include:

- A checklist for creating an effective ad
- Marketing techniques for how and where to sell
- Pricing strategies

Whether youâ€™re new to online yard sales or a seasoned seller looking to improve your rate of success, you can start applying these tips today! Plus, learn about the multiplier effects of the purging and selling process, beyond cash in your hands. This is wealth, redefined. Find out how online yard sales and the positive approaches in this book could hold the key to your *Best Offer, Best Life!*
