OMG...I'm pregnant with a billionaire's baby!

Two years ago, I had a one-night stand with a hot stranger. Billionaire Marcus Willingham. Powerful, irresistible blue eyes and completely off-limits. He couldn't get to me before those two thugs grabbed me, but luckily, he was able to chase them off. It was just supposed to be one night. No love. No feelings. And certainly no regrets. Six weeks later, I found myself staring at a positive pregnancy test. He never called back, and my heart was broken. Long story short, I married somebody else. And that somebody else is now my ex. (Talk about a hot mess!) He's demanding custody of a child that isn't his. There's only one way to solve my problem. I have to find the real father. The man I swore I'd never see again. I need to call Mr. Billionaire - and ask for his DNA. Easy-peasy, right?
