10 Minutes a day is all you need to learn authentic Italian with this fast and easy-to-use 5 hour audio program! Imagine how great it will feel to immediately begin to speak authentic Italian in just 10 minutes a day, using your otherwise wasted down time. Practice Italian during the time you spend waiting in traffic, on trains, for the dentist, from any location! And 10 minutes a day is all you need! Here's the secret! With *Bite-Sized Italian*, you simply learn to speak easy but powerful bite-sized pieces of your new language during your daily down time. A professional American instructor explains everything to you in English, while a trained native Italian speaker teaches you authentic Italian the way it's really spoken. You then learn how to put the tiny pieces together into easy but powerful and original Italian sentences that you easily speak and the natives understand! Start today to finally learn Italian!
