Need to hide something from the fae?

Got a tricky trans-dimensional delivery to make?

Need a big ball of magic that can destroy the world?

Call Black Box, Inc.

The world as we know it is gone. Since the "extradimensional happening", every creature, monster, and fairy tale goblin has turned Asheville, North Carolina, into their personal playground. An uneasy truce exists between the races, but Chase Lawter's unique ability puts him squarely in the crosshairs of treachery, feuds, and monsters looking to make a buck on black market goods. Chase is the only known being who can pull material from between dimensions and shape it into whatever he likes - like boxes. Like boxes in which folks hide smoking guns and severed heads. Only Chase can hide the boxes, and only Chase can recover them from the Dim. All for a tidy sum, of course.

His crack team - a yeti, a zombie, and a fae-trained assassin - have his back. What could possibly go wrong?

Jake Bible, Bram Stoker Award-nominated novelist and author of the best-selling Z-Burbia series, short story writer, independent screenwriter, podcaster, and inventor of the drabble novel, has entertained thousands with his horror and sci-fi tales. He reaches audiences of all ages with his uncanny ability to write a wide range of characters and genres.

Other series by Jake Bible: the best-selling Salvage Merc One, the Apex Trilogy, the Mega series, and the Reign of Four series. Jake lives in the wonderfully weird Asheville, North Carolina. Connect with Jake on Facebook, Twitter, and his website: jakebible.com.
