readBy	C J Edwards
inLanguage	english

Suzi the submissive wife had proven herself willing to do anything at her husband's bidding for their mutual pleasure. She did, however, still have one hang up. Her sheltered countryside upbringing had not really equipped her for life in a multi-cultural society and she was nervous around black people, particularly men. That gave Damion the great idea of how to push her sexual boundaries next. His gorgeous wife was going to be blacked.
