Academy Award® winner Rami Malek stars in this apocalyptic thriller as a small-town radio DJ, Simon Itani, fighting to protect his family and community after the power grid goes down nationwide, upending modern civilization. Season 2 picks up after Simon's family escapes. Upon crossing paths with an old family friend, Wren (played by Aja Naomi King), recounts her experience getting out of Boston... but can she be trusted? What truths remain to be uncovered about the origins of this blackout? Blackout was created by Scott Conroy. Blackout Season 2 was written by Jeremy Novick, and directed by Stefanie Abel Horowitz and Jeremy Novick. This season of Blackout is presented by Sonos, go to sonos.com to learn more.
